*Hairlista Inc. Social Network is the hub for all things hair related. The online community was launched on October 22nd 2008 and quickly grew to over 2,000 members before reaching it's third month online.*

In just less than three short months, Hairlista Inc. Social Network has become one of the fastest growing online communities targeting the Hair and Beauty Industry.

Hairlista.com is a social network designed to unite and educate women on healthy hair care practices, skin and beauty. The primary focus of Hairlista Inc. is making the public aware of the importance in proper hair care. This social network is user-friendly for beginners determined to learn more about healthy hair care, simultaneously catering to those who are more advanced looking to maintain their current hair health.

Hairlista Inc. Social Network is the hub for all things hair related. The online community was launched on October 22nd 2008 and quickly grew to over 2,000 members before reaching it's third month online. Hairlista Inc, founded by Valerie Bremang also known as Sunshyne, is the sister site to the Hairlicious Inc.

Hairlista Inc. is an online international social networking community designed to unite and educate women about healthy hair care practices, skin, beauty and much more. Members can improve these aspects of their lives while meeting new friends, sharing & uploading photos, creating blogs, posting in forums, and join groups, to name a few. Hairlista Inc. is free of charge.
